# ABOUT

Airline Hydraulics is ready to **specify, stock,** and **support** the technology you need.

We're **Airline Hydraulics Corporation** (Airline). We've spent over **75 years** helping industries run better—with hands-on support, custom solutions, and a team that truly owns the outcome. Leverage our expertise with:

- Automation & Motion Controls
- Aluminum Extrusion Systems
- Hydraulics & Pneumatics
- Machine Safety
- Service & Repair

## We're built for your business

### Same Day Shipping

For in-stock orders before 3:30 pm EST.

### Data Interchange

We offer data interchange to seamlessly process orders and billing via EDI, cXML, and API.

### EFT Electronic Funds Transfer

Secure, efficient, and cost-effective electronic payments.

### Custom Part Numbers

Order with your own custom part number, cross-referenced to the manufacturer's part number.

### Custom Packaging

Including kits, bar-coding, QR coding, bulk identification and packaging, prep for overseas packages, and more.

### VMI (Vendor Managed Inventory)

Ask about our VMI program to monitor & replenish your inventory as needed.

## NETWORK SERVICES

Get a secure, reliable network tailored to your needs with support from Airline and Phoenix Contact.

## PREDICTIVE MAINTENANCE

Avoid breakdowns with custom solutions that monitor machine health and boost uptime.

## ENERGY EFFICIENCY

Lower energy bills and run your systems more efficiently—whether you're building machines or keeping them running.

# Airline ALL BRANDS

Below is a comprehensive list of the product lines Airline carries, including additional lines which may not be listed on the previous pages. We have decades of experience helping our customers source the right products to fit their specific application needs. **Please note that certain product lines may not be available in all areas.**

# ENGINEERED SOLUTIONS

## FLUID POWER SYSTEMS

Your go-to team for industrial and mobile hydraulics.

- **Custom & standard** hydraulic power units & power packs
- **Integrated controls** and electrohydraulic systems
- Custom manifolds, lubrication skids, and EHC units
- Expert **in-house** engineering, testing, and fabrication
- **Stocked components:** pumps, valves, cylinders, motors & more
- **Full support** from design through install and maintenance
- **Compact** and mobile power units available for tight-space applications

**Hydraulic Power Units**  
(our specialty)

**Lubrication Skids & Consoles**

**Winches and Gear Drives**

## MACHINE SAFETY

- **Risk assessments** with scalable solutions for any facility
- Custom **guarding**, cleanrooms, and shop safety systems
- Integrated **controls** for seamless system protection
- **Full-service** support: design, fabrication, install & validation

## LIQUID & GAS PRESSURE

- **Custom booster systems** for liquids, gasses, and compressed air—up to 39,000 psi
- Authorized Haskel service, repair, and integration
- Turnkey design, build, & install for demanding pressure applications

## PNEUMATIC SUBASSEMBLIES

- Custom valve **manifolds**, **air prep** systems, and pneumatic **panels**
- Fully assembled and tested for plug-and-play use
- Consolidate sourcing, labor, and inspection into one **streamlined** solution

## AUTOMATION SYSTEMS

- **Linear motion** systems, **robotics**, **conveyors**, and motion control builds
- **Controls** wiring, integration, and enclosure support
- Assembled and tested to streamline machine development

## MODULAR FRAMING SYSTEMS

Profiles, parts, & full builds—all in one place

- Wide range of inch/metric profiles, connectors, and accessories
- **Cut-to-length** and **pre-machined** profiles to save time and labor
- **Custom builds:** workstations, machine bases, guarding, enclosures, flow racks, & more
- Perfect for labs, production lines, cleanrooms & more
- Ready-to-build **kits** or fully assembled systems built to spec
- **Full-service engineering**, fabrication, QA, and installation support
- ISO-certified processes with 25,000+ framing projects completed

## FIELD SERVICE & REPAIR

### COMPONENT RECONDITIONING & REPAIR

- Expert repair of hydraulic, pneumatic, and lubrication components
- **In-house** service with certified techs, test stands & ISO-certified processes
- **12-month warranty** on most repairs (ask us for details)
- Large inventory of **OEM parts** ensures fast, reliable turnarounds

**RED PALLET**

Scheduling pickup and drop-off is easy with our **Red Pallet Repair** form at [www.redpalletrepair.com](http://www.redpalletrepair.com)

### FIELD SERVICE

- **On-site service** by factory-trained techs with fully stocked vehicles
- **Turnkey installs** for hydraulic systems, pump/motor groups & plumbing
- **Auto-lubrication** system installs for mobile equipment and industrial machinery
- **Fluid sampling**, analysis reports & rental filtration equipment
- Support for predictive maintenance, system **health checks** & more

# STARTUP & COMMISSIONING

We help get your systems running right—from day one.

## Support for challenging startups and performance issues

We dig into your machine's details to troubleshoot issues and become a trusted **partner**.

## Smooth transitions to growth-inducing technology

We **simplify** upgrades with expert guidance in product selection and seamless integration.

## Empowering your self-sufficiency

We give your team the tools and knowledge to **confidently** run and maintain your systems.

# TRAINING

Visit our website at [www.airlinehyd.com/training](http://www.airlinehyd.com/training) to learn more & register

Practical training for safer, smarter operations

## PLC PROGRAMMING

Basic & Advanced PLC implementation & troubleshooting

## MACHINE SAFETY

In-person & online courses on the implementation of safety protocols

## HYDRAULICS

Hands-on hydraulic workshops for all skill levels

## SCCR

Short-Circuit Current Rating (SCCR) standards & calculations

## ARC FLASH

Education & safety procedures to avoid hazardous arc flash events

## ON-DEMAND WEBINARS

A wide selection of webinars to view at your convenience

Visit [www.airlinehyd.com](http://www.airlinehyd.com) for educational blog posts, videos, FAQs, and more.

# ONLINE ORDERING

WWW.AIRLINEHYD.COM

Buying the components you need has never been easier or more convenient.

- Check **local AND factory stock** in real time
- Browse by **category, brand**, whether it's **in-stock**, or by part number
- Many items in stock and ready to ship

Easily check your order status & access tracking links

Buy on your terms with PO numbers & no credit card needed

**Ship your way.** Use your UPS Collect account, or select another preferred carrier

Submit blanket orders with scheduled deliveries

Volume-based discounting available
